Throughout the year, Community Services (CS) is supported by many wonderful donors providing our clients with basic needs – food and clothing.

Food drives help us keep our pantry shelves stocked and are a mainstay of our outreach efforts. CS also conducts themed drives that meet clients’ other needs.

The following are examples of drives that we hope you will consider supporting:

**Themed food drives:**
- **January**  Healthy Eating for a New Year or Score a Touchdown for Hunger
- **February**  Heart Healthy or Give from the Heart
