Catholic Charities Providence House Domestic Violence Services invites you to support our signature fundraising event — the **25th Annual Taste of Burlington County** — through a donation of an item or gift certificate for our famous gift basket auction.

Your gift will be viewed by more than 500 attendees and listed in the event booklet. You may also provide business cards and information to be included with your gift.

All proceeds generated from the event benefit Providence House. Last year the **Taste of Burlington County** raised more than \$50,000 to provide comprehensive services — free of charge — to victims of domestic violence and their children in our community. This year the event will include over 20 local restaurants, a gift auction and multiple raffle drawings!

Thank you in advance for your generosity. Your support provides hope and help to so many families in our community.

Thank you,

Barbara J. Katz
