Housing Services

Our Homelessness Prevention Program emphasizes both immediate and longer-term strategies for reducing homelessness and strengthening self-sufficiency. While housing units are not offered at all locations, we help individuals and families remain housed through rent/mortgage and utilities assistance.

Emergency Temporary Sheltering

Families can seek assistance with emergency shelter, although it is limited. Homelessness prevention services are offered and referrals to housing resources in the community are also provided.

Parish Services

Provides support for individuals and families referred by parishes in Burlington County. Services include:

- Case management
- Financial assistance
- Referral to other community resources
- Counseling

Access to Parish Services is only through a referral for assistance from a parish.
