KEYNOTE SPEAKER: VICTOR RIVAS RIVERS

A film star, author and renowned advocate for violence prevention, Rivers seeks to raise awareness and activism of related forms of abuse, along with ways that individuals and communities can do more to end violence.

Rivers has come a long way since being an abused, angry gang member. If not for individuals in his community who were willing to take a stand on his behalf, Rivers doubts he would be alive today. In his memoir, *A Private Family Matter: A Memoir*, and the upcoming sequel, *A Public Family Matter: Journey of An Accidental Activist*, Rivers shares his remarkable life story with the world. Now one of the most well-known domestic violence activists, Rivers uses his voice to advocate for the safety of all women and children.
