Meeting ID: 833 1778 6407
Mobile: (312) 626-6799

Intensive Family Services (IFSS) can help families in Burlington County who are caring for an adult relative (18 years +) who has been diagnosed with or is believed to have a mental illness. Our Family Support Specialists understand the challenges caregivers face, as well as the impact they can have on family dynamics. The IFSS program provides support, advocacy and education to strengthen relationships and improve a family's quality of life.
